Re: Casmalia Disposal Site, Santa Barbara County, California
Final De Minimis Settlement:
U.S. EPA Administrative Order on Consent 99-02(i)

Dear Sir/Madam:

This letter is to inform you that the Casmalia *de minimis* settlement in which Excellon Automation participated is now final and effective. The settlement agreement, Administrative Order on Consent ("AOC") EPA Docket No. 99-02(i), was signed by the United States Environmental Protection Agency ("U.S. EPA") on June 22, 2016.

U.S. EPA published notice of the proposed settlement in the Federal Register on June 27, 2016, and in the Santa Maria Times on July 2, 2016 and held a public comment period from June 27, 2016 to July 27, 2016. No comments on the settlement were submitted. Pursuant to Section XVIII (Effective Date) of the AOC, the terms of the AOC become effective upon the date of this notice.

The final AOC is available on our web site at <http://www.epa.gov/superfund/casmalia>. If you cannot access the AOC on the web site, please call the Casmalia Hotline at (628) 221-5270 to request a copy.

U.S. EPA appreciates your participation in this settlement.

If you have any questions, please feel free to contact me at (415) 972-3951.

Sincerely,

A handwritten signature in cursive script that reads "Karen Goldberg".
